## 9. Details per championship

### HARC NK 82-90, HARC Benelux Nineties Racing, Kampf der Zwerge

- Number of cars allowed in Quali : 57
- Number of cars allowed in Race : 47
- Starting mode : Standing Start, if over 42 cars rolling start
- Starting order Race 1 : Best qualifying time
- Starting order Race 2 : Results of Race 1
- Starting order Race 3 : Results of Race 2
- Minimum licence requirement : KNAF National (or higher grade) licence or a similar licence from another ASN of an EU member state for meetings outside the territory of this other ASN and within the EU and an entrant's licence National or International.
- Maximum noise production per car : 90 dB(A)
- Parc Ferme location : Scrutineering Bay, Paddock 2

### Any other item specific to the championship

- Time penalties / penalties according to: 2026 Autorensport Reglement Nationaal, art. 14.
- If a Driver did not take part in the official qualifying, he/she can request to start at the back of the grid. Request should be addressed to the Secretary of the Event.
- Every Driver is obliged to be at the Drivers Briefing at the Media Center, see official Timing Schedule.
- Through registration the Driver/applicant expressly states that the registered Car is fully compliant with all (safety) regulations and is suitable to participate in the relevant Event. Offering the Car for scrutineering

is considered as an implicit statement that the Car, in all respects, complies with the regulations.

- By performing a technical test the Organiser accepts no liability for the suitability of the Car to participate in the Event in question.

#### 10. Any other item specific to the Event

- The following regulations will be used. All Drivers/entrants undertake to respect these regulations by participating in the Event:
  - 2026 FIA International Sporting Code and Appendices (ISC).
  - KNAF Reglementen boek 2026
  - 2026 Autorensport Reglement Nationaal
  - All class regulations and bulletins of the classes mentioned in article 1.
  - These Supplementary Regulations.
- The maximum noise production per Car is measured at the official measurement point located in turn 14. Noise measurement executed by the Government will prevail over the regulations.
- Both flags and LED panels will be used for signaling.
- Starting time (and location) of the Licence Checks, Scrutineering, Drivers Briefings, Free Practices, Qualifications, and Races, can all be found in the official Time Schedule of the Event.
- Going on and off the track will be explained in the Drivers Briefing.
- All pit garages must be kept locked from the inside to avoid unauthorised persons passing through to pit lane, fines maybe imposed on offenders.
- Refuelling is only allowed in the pit lane.
- Access to the pit: minimum age is 16 years (except holders of a Racing Licence).
- It is not allowed to smoke or use open fire in the pit boxes, in the pit lane and on the roof of the pitlane building.
- The pit lane has been divided into two lanes. The lane closest to the pit wall/track is designated the 'fast lane' and the lane closest to the pit boxes is designated the 'inner lane' or 'working lane', and is the only area where any work can be carried out on a Car.
- Competitors/Drivers may not paint lines on any part of the pit lane.
- No equipment may be left in the fast lane of the pit lane. A Car may enter or remain in the fast lane only with the Driver is sitting in the Car behind the steering wheel in his normal position, even when the Car is being pushed.
- Team personnel are only allowed in the pit lane immediately before they are required to work on a Car and must withdraw as soon as the work is complete.
- Pit lane entry- and exit- timing loops are indicated by a stopwatch sign.
- The Driver must sign the 'responsibility clause' (according to the General regulations concerning racing contests).
- For minor competitors a "Parental Consent Authorisation" should be presented at Administrative Control, in case the parent will not be present at the Event.
- For entrants, other than the Driver concerned, not present at this Event a written authorisation should be presented at Administrative Control.
- Every person (Drivers, team members, officials, press etc.) who enters the pit area must at all times wear their ticket/pass visibly, in a way that the controlling officials can at any time without problem see whether this person has the right ticket/pass. If a person is not wearing their ticket/pass visibly, they may not enter the pit area.
- Every Car shall be timed at the start/finish line after completion of the first and subsequent laps with a transponder. All Cars have to be equipped with a permanent transponder, which must be mounted in the Car at the right place. Malversation or obstruction of the rules mentioned in this article may lead to exclusion.
- Every competitor, team owner, Driver team-member who wishes to use an apparatus with radio communication must submit an application at least 1 month before the Event – the application form can be obtained on the internet at:  
<https://www.agentschaptelecom.nl/documenten/formulieren/2017/april/4/application-form-for-the-use-of-frequencies-during-events-in-the-netherlands>
