Series Bulletin to Sporting Regulations Nr. 03/2026

Dated: 22 April 2026

To Sporting & Technical Regulations 2026 Radical Cup Europe
(version 27 October 2025)

This Series Bulletin is in force per 1 June 2026, pending approval of KNAF.

Subject: Armbands during pit stops

Referring to art. 3 – Sporting Regulations – Championship Race Meetings & Procedures

The below changes are made to the mentioned articles:

3.5.8.8.5.e At the beginning of the season each team will be allocated coloured armbands as identification for the “Assigned Team Members” and the Team Timekeeper. The identification must be worn as intended and be clearly visible by the assigned personnel (see art. 3.5.6.8.6.f of the regulations) who may be working during the Pit Stop and one ~~other~~ member who will be responsible for timing and safe release of the Car ~~only~~. Differently coloured armbands may be worn by the same person, who in this case assumes both roles during the particular pit stop.

3.5.8.8.5.j Drivers who are competing in this race are exempt from restriction art. 3.5.8.8.5.e of these regulations. RADICAL MOTORSPORT ENGINE DEPARTMENT and Radical Technical Staff who can be identified by Green armbands, are exempt from above restrictions.

3.5.8.8.5.k For the avoidance of doubt Yellow armbands will be used for the teams mechanics working on the Car, Orange armbands for the team member timing the Car, and the Green armbands will be used by the RADICAL PERFORMANCE ENGINE DEPARTMENT
